Dear Mr. Engel:

This will confirm our telephone conversation yesterday, regarding the discovery in the above captioned matter. On behalf of the Debtors, I called you to inquire as to the status of the overdue discovery responses of the New Jersey Department of Environmental Protection (NJDEP), which were due on August 13, 2009. You advised me that health issues in your family and with personnel in your section at the NJDEP had prevented you from providing the Debtors with discovery responses. I stated that the Debtors' position was that its Request for Admissions had been deemed admitted since no timely answers were received from the NJDEP.

However, subject to obtaining my clients authority, the Debtors may be willing to extend all deadlines contained in the Court's Scheduling Order to allow you time to provide responses to Interrogatories and Requests For Production of Documents and Other Things. Subject to obtaining my clients' approval, the Debtors involved agree to extend all deadlines by 90 days to allow you time to provide responses to Interrogatories and Document Requests provided that the NJDEP

serves the Debtors with their discovery responses no later than October 1, 2009. You also advised that you would provide an Affidavit regarding the health issues. Subject to my clients' approval, we will file a Motion with the Court to extend all deadlines as outlined above and in the alternative to Compel Discovery.

Thank you for your cooperation.

Sincerely,

Dear Mr. Engel:

In light of the September 15, 2009 deadline for written discovery I intend to file the motion this week.

Thank you for your attention to this matter.
